The Ooo La La Pay It Forward Project

To take what we've been blessed with and to pay it forward so that others have an opportunity to succeed.

I Started my dream of owning a Cake Buisness back in 2010. Being a single mother I struggled to pay bills and make ends meet but was very motivated to make a better life for us. I looked for opportunities as I was stepping out on Faith for help to promote my budding business . A great Support of friends, Mentors and family stepped in to help me where it was needed as well local programs . Those needs were groceries, clothing, daycare , help with Christmas , advice and whatever else I was lacking as I poured my heart and efforts into making a better life for my family. How things have changed from that humble beginning. When I look back on my career and where it has brought me, there is no way I can pay back the time and support I received from all who helped me to get here. Therefore, I have decided to commit myself to find ways to take what I have been blessed with and to pay it forward.

Pay It Forward

So I:

Donate 100% of my Cupcake sales to the Laconia and Lakes Region local charities. Any profits from Retail cupcakes sales will be donated to multiple Charities rotating monthly with no end date.

There will be a limit of a dozen cupcakes per purchase due to allowing others to help in the cause, keeping it fair and reasonable for everyone to give. There will be no preorders for retail cupcakes.

How Can You Help Support The Ooo La La Project?

Each of you should give what you have decided in your heart to give, not reluctantly or under compulsion, for God loves a cheerful giver.

2 Corinthians 9:7

There are a couple of ways you can help me “pay it forward”.

These include:

Purchase my Caketastic Cupcakes. Giving whatever your heart calls you to give as there is no set price for the cupcakes.

OR

Donate to the Cupcake Cause because you want to give no cupcake needed.

Thank you for your support of my Pay It Forward Project, My hope is to give back to the community in need and inspire others to join me on an amazing journey to healing and loving our community back to Health! Be Blessed, Be a Blessing and Stay Blessed.
